Come watch and discuss "The Doctrine of Discovery: Stolen Lands, Strong Hearts."

This honest and illuminating documentary offers important insights into the legacy of racism and erasure that is the foundation of many of our property and other laws still in existence today.

The film and discussion are presented by St. George's Promoting Diversity in Community committee.

There will be 3 sessions:

January 19

January 26

February 2

The link will be sent January 18th.
